Hello and Welcome to DluxBloom

We are a Mother & Daughter team passionate about floral design and attention to detail. Our bespoke designs are created to suit the needs of each individual couple and we pride ourselves on understanding your vision and utilising our knowledge to deliver the perfect wedding flowers for you.

We offer a free consultation, to talk through your ideas and flower choices for your big day. From there we will work with you to develop your ideas, individual style and to turn your dreams into a reality.

We offer complete wedding packages, or you can choose individual flower products such as bouquets, buttonholes, table arrangements and venue flowers.

We are so excited to work with you, feel free to ask us any questions you may have, our contact details are below.

I contacted Caitlin with only 11 weeks to prepare for our special day, time was definitely against us.

After bombarding Caitlin with many different images and styles of what I wanted to incorporate, I left it in her hands to figure out what I wanted -

She certainly knew!

Caitlin is very professional and a pleasure to deal with.

Thank you again for being apart of our special day.

Your flowers were absolutely gorgeous and honestly exceeded my expectations - especially the bouquets which brought tears to my eyes.

I will forever recommend you.

Amy & Simon
